OFFICE OF THE PRESIDENT

Mr. William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Casey:

I regret very much that a meeting of my Board of Trustees will prevent me from attending the session for college presidents that you have organized for October 12. I continue to be very much interested in attending one of the Agency's sessions for college presidents.

With best wishes,

Sincerely yours,
